Entry through the main entrance at Augustaanlage 32

Upon entry please turn to the left, walk through the lounge hallway and pass through the glass door. After a few steps you'll find the elevator around the corner to your right. Take the elevator up to the third floor.

Parking

When arriving by car please take Otto-Beck-Street and turn into the backyard of Augustaanlage 32. The garage entrance is to your left. Please ring the bell by pressing the ciphers **3** and **4** followed by the -key on the keypad of the garage doorway to call VRmagic. We will open the garage door. Please drive onto the first lower parking deck and take the first parking space you encounter that is marked „VRmagic“.

Entry coming from the backyard/garage

Please go to the glass door at the right side at the back of the building (do not take the main entrance). Ring the bell for us to open the door. Take the elevator up to the third floor.

We're looking forward to your visit!
